

# DC460

4K Document camera

---

- **4K High definition camera**

Optoma's DC460 takes a live workspace and allows you to distribute real-time image capture to large audiences when combined with any big screen technology.

Sharing video content remotely has never been easier too, simply connect to any one of the video conferencing tools (via a PC) to enable sharing with remote audiences. It's a great way to create an interactive learning or demonstration space, perfect for classrooms, boardrooms and lecture theatres.
